KAU MOOC

Notice

The Centre for e-Learning, Kerala Agricultural University is inviting application for its Massive Open Online Course (MOOC) on ‘**Commercial Floriculture (വാണിജ്യാടിസ്ഥാനത്തിലുള്ള പുഷ്പകൃഷിയും പുന്തോട്ട പരിപാലനവും)**’. The course is offered in Malayalam, free of cost. The classes are scheduled to begin on **10th August 2026** and end on **2nd September 2026**. Interested participants can register up to 20th August 2026.

This online course with a duration of 24 days has 10 sessions. The participants can attend the course on the e-Learning platform available at ‘celkau.in’, utilizing around half to one hour per day. Certificates if required, will be issued to those students who have successfully completed the course, upon payment of a nominal certificate fee.

Interested candidates can register for the course by following the instructions given below:

Stage I: For One time registration (If done previously please skip to stage II)

- 1) Click on the link <https://www.celkau.in/elearning/reg.php>
- 2) Provide the required information and click on the ‘Register here’ button. Now your one-time registration in the platform is complete.

Stage II: Follow the steps from 3 to 5 for course registration.

- 3) Login with your user-id by clicking the link, <https://celkau.in/elearning/index.php>.
- 4) Now, click the button ‘Enroll Now’ on the course ‘**Commercial Floriculture (വാണിജ്യാടിസ്ഥാനത്തിലുള്ള പുഷ്പകൃഷിയും പുന്തോട്ട പരിപാലനവും)**’. You are now registered for the course.
- 5) From 10th August 2026 onwards you can login and start the learning activities.

“All are cordially invited to participate in this MOOC programme”
